

Surviving Race is providing financial support to help People of Color participate in the Alternatives 2017 Conference Boston, Massachusetts. The Surviving Race Facebook group was created to explore the intersections between race and disability in the human rights movement. Over the past two years we have become more organized and are now working on multiple fronts to develop and put to use a platform that represents our concerns, demands and offerings.

Surviving Race is able to offer limited scholarships through our fundraiser on the GoFundMe website. Because of the fundraiser, we will be able to fund partial scholarships for either registration, travel or hotel costs of Alternatives and ideas for how to obtain funding in your state :<http://www.power2u.org/alternatives-2017/downloads/Alternatives2017FundSearch.pdf>

Applicants for the Surviving Race scholarship must submit a completed scholarship application to survivingrace2014@gmail.com. Scholarship applications are due July 30, 2017. If you are applying for registration, please fill out a completed registration form and send it to us with your scholarship application.

Applicants applying for hotel or transportation costs, please indicate the amount of support you seek and how you plan to obtain funds(or you have already for the remaining funds) for the remaining costs on the application to cover your attendance at the conference.

The priority for Surviving Race is that scholarship funds will be awarded to People of color, Surviving Race members, workshop presenters and first-time attendees.

Please submit a letter of support with your application.

Scholarship applications are due July 30, 2017.

The Surviving Race Scholarship Committee will review all applications and notify you by August 8, 2017.
